WoW Invites You to Celebrate Women in Maritime!

Join WoW (Brunswick's Women on the Water Employee Resource Group) and Society of Women Engineers (SWE) for an in-person event, co-hosted by the SWE – WI Chapter to celebrate [International Day for Women in Maritime](#).

Our goal is to inspire, encourage and celebrate women in the fields of engineering, operations and technology by hosting a panel discussion and networking event geared towards celebrating women in the marine industry and beyond.

When: Thursday, May 16th; 8:30am – 12:00pm CST

What: Registration will include a networking breakfast, opening remarks from John Buelow, President Mercury Marine, a panel discussion with a variety of female leaders across Brunswick and an optional tour of one of the Mercury Marine plants (limited to first 40 external registrants). Also includes an event t-shirt.

Where:

Mercury Marine – Plant 10

W6250 W. Pioneer Road, Fond Du Lac, WI 54935

Cost to attend: \$20 - includes continental breakfast and an event t-shirt; payable by cash or check only day of event

Register by Monday, April 15th, space is limited: [Click Here to Register](#)
